DOCKET No. _____

Petition of On-Site Systems, Inc.
to Revise the Monthly Residential Sewer Charge

On-Site Systems, Inc. ("On-Site") petitions the Tennessee Regulatory Authority ("TRA") to revise the monthly residential sewer charge by modifying Tariff sheet 2-A.

We propose that the rate shown for Oakwood Subdivision in Maury be changed from \$36.67 to \$35.11. This change is based on the action of the Maury County Planning Commission (eliminating the bonding requirement on that subdivision, see attached minutes).

The established rate for a system with watertight effluent collection, sand-gravel treatment and subsurface drip disposal is \$35.11.

Respectfully submitted,

Charles Pickney Jr., President
